October 25, 1983

Senator Warren Rudman
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Senator Rudman:

This letter is to serve as a request for information and demand for attention regarding the whereabouts and condition of the Swedish Ambassador, Raoul Wallenberg. I'm certain that you share an appreciation and understanding of the circumstances of Mr. Wallenberg and the scenario of his imprisonment following the Second World War. An explanation regarding the condition and whereabouts of this individual is, in keeping with minimum standards of human conduct, merited.

This letter is to serve as a request, by the undersigned, to determine the present whereabouts of Raoul Wallenberg, or a specific statement as to his date of death and location. As an honorary citizen of the United States of America, the minimum courtesies from the Soviet Socialist Republic appears to be in order. Certainly, the only impediment to this information would be the embarrassment associated with his unjustified imprisonment. I request the assistance of your office in bringing about the resolution of this inquiry to the satisfaction of the family of Mr. Wallenberg, the citizens of the nation of Sweden and of his adopted country, The United States of America. I request your response and will note my calendar for twenty-one (21) days.

While I appreciate the demands of your schedule, I urge your attention.

Respectfully submitted,

Robert L. Steuk
